The Original Muck Boot Company began in 1999 with the sole purpose of enabling consumers to live an active, outdoor lifestyle, undeterred by the elements. With this in mind we’ve built the most comfortable, high performance footwear on the market for use in any messy and tough conditions.

We make premium products born from necessity, not luxury. Every boot in the line keeps you in your comfort zone with 100% waterproof quality.

As one of the fastest growing lines in the waterproof footwear market we are dedicated to life outdoors, and to helping you prepare for your next great journey.

Waterproof, weatherproof, whatever-proof. We put proof in every pair.

**RECOMMENDED TEMPERATURE RATINGS**

**FEATURES & BENEFITS ICONS**

- **100% WATERPROOF** - All of our boots are built to be 100% waterproof
- **FLEECE** - Insulating, lightweight, and soft polyester fabric that offers warmth and comfort
- **XPRESSCOOL™** - Anti-microbial evaporative cooling liner
- **AIRMESH** - Breathable sandwich-fabric lining that improves air circulation and adds comfort
- **SLIP RESISTANT** - Our slip-resistant outsoles are made from an exclusive rubber compound that grips the floor surface creating sure footing
- **SCENT MASKING** - Added treatment on lining material that blocks odor to reduce the zone of detection
- **OIL RESISTANT** - Honeywell RDR® rubber will outwear standard rubber boots in solvents, caustics, hydrocarbons, oils, fats & acid
- **SNAKE PROOF** - Tough, thick exterior to protect from snake bites
- **STEEL TOE** - Boots are tested to meet ASTM F2413-11 M/75 C/75
- **COMPOSITE TOE** - A lighter toe with non-metal hardware. Boots are tested to meet ASTM F2413-11 M/75 C/75
- **MET GUARD** - Metatarsal Guard provides extreme impact protection

No Matter What It’s Covered In

Arctic Grip

Our Warmest Winter Boot With Arctic Grip Technology

• The groundbreaking sole technology specifically engineered and designed to perform on wet ice
• Discover a whole new world of grip and performance
• Arctic Grip is the most advanced cold weather gripping system Vibram has ever created
SPANDURA
Spandura layered over Neoprene adds protection against water keeping your feet dry in all activities.

HIGH GRADE
High grade rubber exterior provides a tough waterproof barrier. Making these boots perfect for wet environments.

6MM EVA
6mm EVA sockliner provides additional support and comfort for all day wear.

INSOLE
eetc sock lining reduces under-foot friction and heat build up, allowing for a more comfortable overall feel.

XPRESS COOL HOW IT WORKS

1. As the foot starts to sweat, the Muck XpressCool™ fabric rapidly pulls moisture away from your skin.

2. The Muck XpressCool™ lining absorbs and spreads the moisture out across the boot lining to drier areas of the boot to enhance the evaporative drying rate.

3. Most importantly, as the moisture is spread and dries, it creates a cooling effect which keeps your feet cool and dry in warm weather.
WOMEN’S OUTDOOR WINTER
LIBERTY COLLECTION

Fashion Forward Boot

The Liberty Collection brings a fresh modernized look to women’s functional-fashion footwear. Built on Muck’s tradition of comfort and endurance the Liberty Collection features fashion forward boots in stylish, distressed, full-grain leather. The result is an upscale casual look that works well with any outdoor, office or nighttime attire. All models feature a rubber rand for durability, and an outsole that’s rugged without being chunky. Midsoles feature a neoprene strobel and ultra-comfortable molded PU footbed to cushion every step. Like all Muck boots, the new Liberty Leather Collection is 100% waterproof.

The Tremont may just be the most attractive and comfortable boot you’ll ever wear in inclement weather. This boot delivers a stylish look that is exceptionally easy to maintain and clean off mud, salt, or snow. The interior uses a 4mm neoprene bootie combined with a fleece lining to keep your toes cozy. The shock absorbing footbed uses a dual density EVA insole with Gel insert for additional comfort. The reduced heel makes these boots easy to walk on uneven streets and sidewalks.
TREMONT STRAP  NEW

The Tremont Strap adds a buckle detail to the elegant Tremont Wellie style.

MEN’S HUNT
The Summit Hunting boot provides all of the traditional Muck benefits yet with an improved fit and elevated comfort. The boot features three layers of comfort and support with a PU insole, neoprene strobel and EVA midsole for enhanced comfort. The Neoprene Strobel acts as an added layer of warmth to avoid heat being lost through the bottom of the foot. It also minimizes the break-in period as it is a soft, pliable material. Primaloft acts as an additional insulation package that is breathable.
SUMMIT 10” INSULATED

- 100% Waterproof Leather
- 800G Primaloft Insulation
- 3mm Neoprene Strobel
- Removable Comfort Insole
- EVA Midsole for Added Comfort
- Rubber Outsole

Men Sizes: 7 - 15 (Half Sizes 7.5 - 12.5)
Package 6 Pairs/Case

SUMMIT 8” NON-INSULATED

- 100% Waterproof Leather
- 3mm Neoprene Strobel
- Removable Comfort Insole

CHORE RESISTANT

The Chore V-Wave outsole with SR™ Slip-Resistance Compound earned an improved Slip-Resistance rating of 20%. Tested on slippery surfaces including steel and ceramic tile, the sole sets a new industry standard. In addition to a more secure step, the Chore Resistant exterior will resist most oil-based fluids with the new RDR™ Chemical resistant rubber exterior. Note: Not EH rated
