

Product Family
Ranger® - A2071, Safety Chest Wader

Ranger rubber safety boots are hand-layered then dipped and heat sealed for 100% waterproof protection. Commercial grade, ozone-resistant rubber is formulated to ensure superior performance and long-term use. Ranger rubber boots are abrasion-resistant and feature tough TracTread outsoles for excellent wear and traction on rough terrain.

Warranty Information

LIMITED WARRANTY:

Honeywell products are covered by and subject to the terms of the Honeywell Safety Products Limited Warranty that is printed in our published price list. The Honeywell Safety Products Limited Warranty is the only written warranty of any force and effect, and all other written warranties are disclaimed in their entirety. In no event shall Honeywell Safety Products or any of its authorized dealers be liable for any damages in excess of the purchase price of the relevant product. This limitation applies to damages of any kind, including but not limited to direct or indirect damages or other special, incidental exemplary or consequential damages, whether arising out of the use or inability to use the product, even if we or any of our authorized dealers has been advised of the possibility of the damages or any claim by any other party. Servicing of any product with parts not approved by us will void the warranty and may result in loss of any certification or approval applicable to the product.
