Product Numbers & Ordering Information

Product Numbers	Details
 915140	2216 psig 30-minute aluminum cylinder with non-locking handwheel
 917421	2216 psig 30-minute aluminum cylinder with locking handwheel
 917130	2216 psig 30-minute carbon cylinder with non-locking handwheel
 917423	2216 psig 30-minute carbon cylinder with locking handwheel
 917530	4500 psig 30-minute carbon cylinder, lightweight, with non-locking handwheel
 917532	4500 psig 30-minute carbon cylinder, lightweight, with locking handwheel
 917654	4500 psig 30-minute carbon cylinder, extended life, 30-year, with non-locking handwheel

	917655	4500 psig 30-minute carbon cylinder, extended life, 30-year, with locking handwheel
	917545	4500 psig 45-minute carbon cylinder, lightweight, with non-locking handwheel
	917547	4500 psig 45-minute carbon cylinder, lightweight, with locking handwheel
	917673	4500 psig 45-minute carbon cylinder, extended life, 30-year, with non-locking handwheel
	917654	4500 psig 45-minute carbon cylinder, extended life, 30-year, with locking handwheel
	917560	4500 psig 60-minute carbon cylinder, lightweight, with non-locking handwheel
	917562	4500 psig 60-minute carbon cylinder, lightweight, with locking handwheel
	917693	4500 psig 60-minute carbon cylinder, extended life, 30-year, with non-locking handwheel
	917694	4500 psig 60-minute carbon cylinder, extended life, 30-year, with locking handwheel

Additional Information

NOTE FOR ALL CYLINDERS AND SPARE CYLINDERS:

- Extended life cylinders are designed for up to 30 years of service with 5-year requalification periods beginning at year 15 through year 25.
- The 60-minute extended life cylinder is not available for the TITAN SCBA with an Escape Belt.
- For cylinder designs, add "F" for Flames or "M" for Maltese Cross at the beginning of the part number.
